### PRESIDENT'S MESSAGE

Welcome to the 39th edition of our Gravenhurst Rotary TV Internet Auction. For many years with the money made from the Auction, we have been able to meet many of the needs of our community.

Once again we are thankful to YourTV, our long time partners, for their support in broadcasting our auction. This year's auction will take place on Sunday, November 24th.

Inside this flyer you will see the items that you can bid on either over the Internet, or by tuning in live to YourTV on Auction day.

Rotary primarily exists to serve the communities in which we reside. However approximately 25% of what we do is International. In the past year the Rotary Club of Gravenhurst has delivered bicycles to children in rural villages in Cambodia so they can get to school, provided clean water and sanitation to many of these children so when they do get to school they do not become ill, provided uniform t-shirts to marginalized children in the Philippines so that they do not feel stigma when they go to school, helped with school building projects in Zambia Africa and in Nepal, and responded to the emergency call for assistance in the Bahamas after hurricane Dorian.

Also on an International level we have contributed to Rotary International's largest project to end Polio in the world. We are 99.9% of the way there.

On a community level there have be numerous examples of "Service above Self" by the more than 50 members of the Rotary Club of Gravenhurst. This year we have assisted Gravenhurst Against Poverty, the Women's Resource Centre, Hospice Muskoka, and the Thursday Night Supper Club. Our Bursary Fund has helped dozens of students from Gravenhurst High School pursue post-secondary education. We have sent many students on various programs in the Province, examples of which include, Adventures in Environment, Adventures in High Technology, and the Rotary Youth Leadership Awards. On the international level we participated in the Rotary Youth Exchange.

This is where you come in. We would not be able to meet these needs if it were not for the support and participation of our local businesses and the upstanding citizens of this community. It takes the generous contribution of auction items by businesses and individuals in our community to make this auction a success. Then we need you, the people in our community, to take time out of your busy schedules to look through the flyer and find interesting items to bid on. It is a win win for everyone. Businesses get advertising, community participants have the opportunities to bid on quality items and save the tax, and our community gets the support it needs to become an even better place to live.

Please help us to make this, our biggest fundraiser of the year, a success.

Thank-you,

**MaryAnne Marshall, President Rotary Club of Gravenhurst**
